Be an Animal Watcher

Draw a map of an exhibit at the zoo on the grid below. Show landmarks like trees, fences, paths, and buildings.

1	2	3
4	5	6

Pick an animal in that exibit to observe. Give your animal a name. _____

Every 2 minutes, record the time. Write down the area of the grid in which your animal is sitting (or standing). Then describe exactly what your animal is doing.

TIME	AREA#	OBSERVATIONS
