

# Animal Research

Your Name \_\_\_\_\_

Choose an animal to research. Look up information about your animal in books, magazines, encyclopedias, or on the internet. Use the information you find to fill out the chart.

Name of Animal \_\_\_\_\_

Which animal group does it belong to? (Is it a mammal, bird, reptile, amphibian, insect, or something else?)	----- -----
Tell about your animal's size, including weight and height.	----- -----
Describe your animal's coloring.	----- -----
What type of body covering does it have? (Fur, feathers, scales....)	----- -----
Does it have any special body parts?	----- -----
What does your animal eat?	----- -----
Describe your animal's habitat.	----- -----
Write an interesting fact about your animal.	----- -----
On the map, color the part of the world where your animal lives.	----- ----- 

Draw a picture of your animal in its habitat on the back of this page.

**The all-new African Journey opens in June 2009!**
